Notes

Ships freight from IN with appointment. Customer is responsible for unloading shipment.

INSTALLATION:

Installation to include labor, tools, and materials required for installing above quoted item(s). Installation quoted assumes site has normal soil conditions*. Does not include the removal of structures or clearing of site. Does not include relocation of utilities, fencing, or landscaping. Quote does not include safety surfacing or border timbers.

PLEASE NOTE, EQUIPMENT WILL BE ORDERED AT TIME OF PURCHASE. Equipment shipping from different locations will have different lead times and delivery dates. It is the customer's responsibility to accept, inventory, and store equipment in a safe location until the installer arrives.

Area must be accessible to a Bobcat. A 10 yard minimum dumpster is required to be onsite at time of installation. Dumpster must be free of debris so that installer can dispose of refuse from install. If dumpster does not meet these requirements, installer will leave empty crate(s), packing cartons, and other refuse and customer will be responsible for disposal.

Installer must have access to water for installation purposes. If water access is not readily available, an additional \$150 fee will apply.

Site and prep work required of customer must be completed prior to installation. If installer arrives at project and is unable to perform the work due to incomplete site work or abnormal soil conditions, a minimum charge of \$1,700 will be charged. This charge will offset travel and other expensed incurred by installer.

Installation contract must be signed prior to sending installer to job site.

Security is not provided. If it is determined that security will be required to complete installation, the customer will be responsible to furnish security.

* In the event unforeseen excavation is required, additional charges will be incurred.

* NVB Playgrounds, Inc. is not responsible for acquiring local or state permits.
