Child Trafficking Prevention Education Curriculum Overview

1. In an effort to build resiliency among our youth and to foster safe environments conducive to student learning, the Jackson County School District will require that all students in Grades K-5 complete instruction each year with regards to Child Trafficking prevention and awareness. The curriculum will include Common Core and National Health Education Standards through the Child Safety Matters program to address Child Trafficking prevention and awareness, as required by the State Board of Education Rule 6A-1.094123, F.A.C. The Monique Burr Foundation for Children Prevention Education Program is an evidence-based and evidence-informed, comprehensive prevention program that educates and empowers children and teens with universal strategies and Safety Rules to prevent, recognize, and respond appropriately to the four types of child abuse (physical, emotional, sexual, and neglect), exploitation, bullying, cyberbullying, and digital dangers. The related standards/Scope and Sequence for grades Kindergarten through fifth grade for the Child Safety Matters program are attached.

Instructional Delivery

1. The Child Trafficking prevention and awareness education will be delivered by Gulf Coast Children’s Advocacy Center instructor/s that are trained by The Monique Burr Foundation to present the Child Safety Matters program effectively by following approved policies, procedures, and evidence-based practices. The curriculum meets the ruling requirement of instruction with course specification per grade that is developmentally appropriate. Instruction will be delivered in the following courses:
